(a) did not have more than the number of employees established for eligibility by the commissioner at the time of registering for premium incentive payments or premium assistance payments or a tax credit under 33-22-2008;

(b) provide or will provide a group health plan that meets the requirements of creditable coverage for the employer's and any related employer's employees;

(c) do not have delinquent state tax liability owing to the department of revenue from previous years; and

(d) have been registered as eligible small employer participants by the commissioner as provided in 33-22-2008.

(2) In addition to the requirements in subsection (1), a small employer is eligible to apply for a tax credit or a premium incentive payment under this part if the small employer and any related employers ~~do~~ did not have any employees, not including an owner, partner, or shareholder of the business, who received more than \$75,000 in wages, as defined in 39-71-123, from the small employer or related employer in the prior tax year.

(c) The registration application must include the number of individuals covered, as of the date of the registration application, under the ~~small~~ group health plan for which the employer is seeking premium incentive payments and premium assistance payments or a tax credit. If, after the initial registration, the number of individuals increases, the employer may apply to register the additional individuals, but those additional individuals may be added only at the discretion of the commissioner, who shall limit enrollment based on available funds.

(5) Each year, an eligible small employer shall timely reregister with the commissioner in order to determine the participant's continued eligibility. The commissioner shall accept applications for continued registration:
